

OPERA DELAWARE

Illuminating lives for 64 years!

Get Involved!

As you know, OperaDelaware depends on the involvement of Delaware's community to help sustain its place as a leading opera company. It is because of generous volunteers like you that OperaDelaware is able to produce the finest opera in the region and reach thousands of students through a variety of educational programs on such a limited budget -- and for this we are extremely grateful. So, if you're looking to really make a difference in the community and want to join one of Delaware's most dedicated groups of arts volunteers, this is the place to be!
